Mr. Oliver:

I am writing in regard to the proposal to re-open the quarry up Lost Horse canyon for a 10-year period. I believe it is not in keeping with the character of the area, particularly as it has become more residential/recreational since the quarry was last used, and neither is the road well-suited to a mix of heavy, industrial traffic. I am a frequent user of the area for recreational purposes as well as visiting friends with homes in the area, so I am very familiar with both the neighborhood and the road. I urge you to work with the County to find a reasonable alternative.

Thank you for your serious consideration.
